RE: Response to FEC Letter Dated August 12, 2011
June Monthly Report (5/01/2011-5/31/2011)

Dear Ms. Broomhead:

This letter provides explanation for the discrepancy in our June monthly report, not originally reflecting the ending balance of our May monthly report. As noted in our July 19, 2011 letter, we have been in the process of conducting an audit of our PAC records and were in the process of amending reports at the time we filed the June monthly report. ACPAC discovered errors in the ACPAC FEC reports filed in 2010 and was in the process of correcting those errors and filing amended reports.

We have now filed amended reports beginning January 2010 going forward, which are accurate according to our audit of 2010-11. Our ending and beginning balances now match.

We are in the process of auditing our 2008 and 2009 records.

Sincerely,

Adam Peterman
