Re: Pakistani Physicians Political Action Committee (PAK/PAC); ID # C00238204; Reference, July Quarterly Report (4/1/94 - 6/30/94).

Dear Mr. Evans:

Thank you indeed for discussing the above referenced report with me a few days ago by telephone. At that time I also brought to your attention the letter written by you, which was sent September 14th, 1994.

After the clarification given by you, I wish to make the following statements: We do not have an official office for which we pay any rent. This is done on a voluntary basis through my own office, and no rental is being paid for this. The second thing is that we do not have any employees, we used different secretaries and reimburse them from time to time for any hourly time, and that expense is shown as an administrative expense.

I hope that the above clarification will satisfy the questions raised on your report. If there are any further questions, please let me know. I will consider the above explanation to the be appropriate answer to your letter of September 14th, 1994.

Many thanks again for your kindness.

Sincerely,

Hassan Bukhari, M.D.
