All payments reported on Line 21b are operating and administrative payments solely benefiting and on behalf of the National Republican Congressional Committee. As such, they are not made on behalf of any specifically identified federal candidates, nor do they constitute public communications or voter drive activity containing express advocacy. Therefore, these disbursements are correctly reported on Schedule B for Line 21b, and do not require a Schedule B, Schedule E, or Schedule F for lines 23, 24 or 25. The Committee has reviewed all reimbursements to individuals for travel and subsistence and confirms that no further itemization is required under any Commission regulations for these expenditures. With respect to coordinated expenditures disclosed on Schedule F, the Commission's software only permits one authorizing committee to be listed. However, the National Republican Congressional Committee has received spending authorization from both the Republican National Committee and the respective State Republican Party Committees.
