TOTAL This Period (last page this line number only) .....

A. Form/Schedule : **SA11AI**

Transaction ID :

Please note that the PAC is aware that we follow an alternate method of itemizing payroll receipts rather than the suggested manner of disclosing a single total for the reporting period along with the amount deducted per pay period. Because the amounts collected per pay period may change often during the time covered by a single report, we find that reporting individual deductions separately more accurately discloses how the receipts are collected.

A. Form/Schedule : **SA11AI**

Transaction ID :

Please note that our committee follows all federal regulations, including those found at 11 CFR 104.-7(a) governing the solicitation of contributors. This committee specifically requests all pertinent information from contributors, including employer and occupation; informs contributors that the committee is required by law to report the same; and, makes a follow-up request for omitted information when necessary. The committee thus complies with the best efforts rules.

A. Form/Schedule : **SA11AI**

Transaction ID :

The FCPE's original monthly report was 1478 pages long. Its extreme length was attributable to its disclosure of many thousands of contributions that the FCPE received at the annual convention of its connected organization, the National Education Association ("NEA"), that was held from June 26 through July 6, 2010. The great majority of those contributions were processed in-house for recordkeeping and reporting purposes; however, some of the contributions -- i.e., 275 in-kind contributions -- were assigned to an outside vendor for processing. Due to the demands of processing such a large number of contributions in-house, NEA Staff did not submit the records for those in-kind contributions to the vendor in time for them to be processed for the August report was due. Consequently, the FCPE had to file the amended report in question to disclose those in-kind contributions.
