Dear Ms. Williamson:

This letter serves as additional information to our response of May 7,2002. Again, the Committee exercises "best efforts" in requesting contributor information. The required information is requested in the initial solicitation and then there is a follow-up request in writing with all appropriate language and a self-addressed envelope within 30 days. The Committee routinely includes with its regular filings a list of contributors with the additional employer/occupation information. This has been the standard policy of the Committee and the procedures have always been followed.

If you require further information or clarification, please notify me.

Sincerely,

James M. Jordan
Treasurer

JMJ/acg
