Re: Letter of August 22, 2006, regarding July Quarterly Report of Graves for Congress

Dear Ms. Hubbard:

This letter is in response to your letter of August 22, 2006, regarding the July Quarterly Report of Graves for Congress.

I have reviewed the totals for the line and column numbers referenced in your letter. I have determined that there was a $50 discrepancy that resulted from a miscoding of an individual donor as a PAC on the April 2005 Quarterly Report. This was later corrected, resulting in different totals on line 11(c) that were carried onto the total lines. We have filed amended reports that correct that $50 figure.

You also raised an issue of discrepancies in aggregate election cycle-to-date totals on the itemized receipts. From our telephone conversation, you advised me that the issue related to the to-date totals for AT&T PAC, which had changed its name from SBC PAC. We had not caught that change and, therefore, the aggregate total was not correct. We have made that change and filed an amended July report that should reflect the correct aggregate election cycle-to-date totals. We will also review our procedures for entering PAC contributions so that we are more aware of PAC name-changes.

Thank you for bringing these matters to our attention. If you have any questions, please do not hesitate to call.

Sincerely,

Jean Paul Bradshaw II
