Re: Q3 report for C00534016

Sir or Madam,

Our group still has not gotten out of the planning stage, and we have not yet received or disbursed any funds.

As in past quarterly reports, I have put "zeroes" in all of the appropriate boxes.

Also as in past reports, I have left schedules "K" through "L" blank, as those schedules appear to not be applicable to our group.

Yours very truly,

John P. Hilt, Treasurer

John P. Hilt
