FEDERAL ELECTION COMMISSION
WASHINGTON, D.C. 20463

RQ-2

Stan Huckaby, Treasurer
National Republican Senatorial Committee
425 Second Street NE
Washington, DC 20002

APR 3 0 2003

Identification Number: C00027466

Reference: April Monthly Report (3/01/02-3/31/02)

Dear Mr. Huckaby:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Line 23 of the Detailed Summary Page of your report discloses a total of $0 in contributions to federal candidates and/or committees. The sum of the entries itemized on Schedule B, however, indicates the total to be $14,704.60. Please amend your report to clarify the discrepancy.

-Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule(s) H4 of your report to clarify the following description(s): "unitemized". For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

-Schedule H4 of your report discloses payments for "petty cash reimbursement." Please be advised that a political committee may maintain a petty cash fund out of which it may make expenditures not in excess of $100 to any person per purchase or transaction. 11 CFR §102.11 Please provide clarifying information regarding these transactions.

-Your EVENT YEAR-TO-DATE calculations for ***A2TR*** are incorrect. EVENT YEAR-TO-DATE totals for administrative and voter drive costs

are derived by aggregating all disbursements during the calendar year for the whole Administrative/Voter Drive category. EVENT YEAR-TO-DATE totals for fundraising, direct candidate support, and exempt activities are derived by aggregating all disbursements during the calendar year within a specific event. These should be calculated by adding the latest disbursement for a category or event to the previous EVENT YEAR-TO-DATE total for that category or event. This running EVENT YEAR-TO-DATE total should be disclosed after each disbursement is listed. Please amend your report by providing the correct EVENT YEAR-TO-DATE totals.

-Line 1 on Schedule I of your report for your Nonfederal account discloses a figure which is less than the total of the entries itemized on Schedule A. Please amend your report to clarify the discrepancy.

-A review of your "Best Efforts Amendments filed on 01/09/2003 and the above referenced report indicates that additional receipts from individuals disclosed in the "Best efforts amendments" were not disclosed on the original report (pertinent portions attached). You must amend the reports covering the periods during which these contributions were received to disclose the receipts on Schedule A supporting Line 11(a)(i) of the Detailed Summary Page. In addition, any changes to your cash-on-hand totals and/or calendar year-to-date figures should be reflected on the Summary and Detailed Summary Pages.

A response or amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,

Julie Perry
