Mr. Eric Koeppen
Senior Analyst
Federal Election Commission
Washington, DC

Dear Mr. Koeppen:

Thank you for your letter of February 25th regarding Prairie Political Action Committee's amended Mid-Year 2003 and Year End 2003 reports.

Prairie PAC has no salaried employees. Administrative services are provided by contractual fundraising entities, one in Washington, DC and one in Chicago, Illinois. They are Schimanski and Associates in DC and Nancy Kohn Consulting in Chicago. Payments to both of these people are reflected in the reports.

I trust that this information will satisfy the Commission's inquiry. If you need additional information, please let me know.

Sincerely,
Michael E. Daly
