Mr. John D. Gibson
Assistant Staff Director
Reports Analysis Division
Federal Election Commission
Washington, D.C. 20463

Dear Mr. Gibson,

This letter is in response to yours of July 3, 2001. The Democratic Legislative Campaign Committee ("DLCC") is a nonfederal political organization which engages exclusively in state and local election activities, and which principally supports candidates for state legislature. It does not receive or make any contributions or expenditures for the purpose of influencing federal elections. Consequently, the DLCC is not a federal political committee and is not registered with the Federal Election Commission.

On October 25, 2000, the DLCC donated $175,000 to the nonfederal account of the Democratic Executive Committee of Florida, with the understanding that the funds would be used only for state and local election activity. The DLCC understands that the recipient erroneously disclosed this donation on its FEC report, rather than on the state report filed with the Florida Secretary of State. The DLCC further understands that the FEC has received an amended report from the recipient that corrects this error.

If you have any further questions regarding this matter, please do not hesitate to contact me at the address indicated above.

Sincerely,

Robert B. Engel
Executive Director

Federal Election Commission
