RE: Year-End Report (10/01/05-12/31/05)

Identification Number C00344051

This is in response to an inquiry regarding a transfer from a joint fund-raising committee.

The amount reported was greater than the amount of contributions listed on Schedule A supporting line 12 as the transfer consisted of residual funds held by the joint fund-raising committee from prior quarters. The names and gross amounts had been previously reported by the Bill Nelson for U.S. Senate Campaign Committee in the quarter in which the funds were received.

If this happens in subsequent reports, I will include a memo with the report to help prevent confusion. If I can be of further assistance, please contact me using the numbers indicated below.
