Andrea Wilkens-Reports Analysis
999 E Street NW
Washington DC 20463

Dear Andrea:

Enclosed you'll find corrections and responses to your preliminary review of the October quarterly report. I have included a copy of your letter and numbered the points to correspond with this note.

1. On the amendment received by you 12/14/00, Eric Northy copied your on the check correcting the non-federal receipt problem but also deducted the receipts on the summary in error. The receipts should have been left alone on the July quarterly thus keeping the balance forward at $62,283.37.

2. There was a previous correction to the January 1, 1999 cash on hand from 38,915.85 to 43,915.85 which was inadvertently added to the receipts thus making the 6c figure of 3,683,121.83 correct. Due to the previous reasons stated, 11c and 12 should be correct as reported.

3. All corrections for omission of address, employer and occupation are corrected in the orange high lighted areas on the attached schedule A's. Any missing information is supported by an attached letter to the individual requesting the information.

4. The appropriate schedule H3 for non-federal account transfers is attached.

5. A copy of the original schedule A, line 12 is attached with Victory Fund checks noted to substantiate the initial memo entries attached.

6. The memo schedule corresponding to the D for D checks is enclosed
-We reported a D for D receipt on this report of 42,720.47 which the ASDC reported in the next period.

7. I have enclosed copies of all DNC transfer and checks reported on Schedule A, line 12. I can't come up with the exact difference, but I believe most of the difference is checks that are from the Victory Fund. We did include a few DNC checks dated in the first couple days of October to match my bank balances.

8. The event year-to-date total is correct through page 96. The administrative expenses on pages 97 to 103 should be added to bring the total to 2,572,275.60 for the period ending. Enclosed is page 103 of 103 with the correct total.

9. The amended H4 with all missing addresses is enclosed.

10. Disregard schedule H2. There was no direct candidate support disbursements related to the field offices as listed.

If there are any further needs regarding this review, pleas contact me at 608-255-5172.

Thank you,

Tom
