Federal Election Commission

Dear Sir:

As a result of the FEC audit of our 1993 and 1994 federal activity, amendments to all subsequent reports are required to adjust cash on hand figures. To that end, Committee staff has performed a comprehensive audit of 1995 and 1996 federal activity and we are herewith submitting amendments to accurately reflect all the Committee's activity for those years.

It should be noted that the Schedule D for Line 10 of the 1995 July 31 mid-year report reflects a negative amount of $10,530.89 in the "amount incurred this period" column. This occurs because neither the FEC audit staff nor the Committee staff could substantiate this debt, and the 1994 report as prepared by the FEC audit staff does not reflect this debt.

If further information or clarification is required, please do not hesitate to contact us.

Very truly yours,

Maria X. Jackson
Treasurer
