In response to your letter dated December 9, 2005 regarding the August Monthly Report (7/1/05-7/31/05) please nopte that the Committee will file an amended repot on Januray 9, 2006.

In your letter, you stated that the Committee failed to include a full and/or recognizable name for a political committee that had donated to the Committee. At the time of the original filing, Roche Inc. Good Government Committee was known as Hoffmann-La Roche Good Government Committee. That committee did not change its name until 9/19/05, one month after this report was filed. Since the Committee received a contribution from Hoffman-La Rouche Good Government Committee and reported it correctly, the name will not be changed for this filing however we have made note of it in our database and it will be filed under the new name should they contribute in the future.

We have added the line Transfer of Excess Campaign Funds to all candidate committee itemized on Schedule A supporting Line 11(c).

Purposes itemized on Schedule B and Schedule E have been changed.

The payee for in-kinds has been added on Scheudle B supporting Line 23.

The election designation has been added to Schedule E.

Partnership contributions have been itemized more clearly per our conversations.

Please contact me with any further questions. Thank you.
