SECRETARY OF THE SENATE

14 SEP 18 PM 4: 28

Ms. Jill Sugarman  
Sr. Campaign Finance & Reviewing Analyst  
Reports Analysis Division  
Federal Election Commission  
999 E Street, NW  
Washington, D.C. 20463

**IDENTIFICATION NUMBER:** C00546788

**REFERENCE:** JULY QUARTERLY REPORT (05/15/2014—06/30/2014)

Dear Ms. Sugarman,

This statement is in response to the Commission's letter dated August 14, 2014. The Commission requested additional information regarding five items.

First, the Commission requested clarification regarding contributions from individuals or political committees that appear over the limit. Upon review by the Committee, these individuals and political committees are within their federal limits. The donors John K. Castle and John Castle are different individuals as evidenced by their different mailing addresses and employer/occupations. Based on its internal review processes, the Committee had already determined that John Christensen had exceeded his contribution limit and refunded his excess contribution of \$500 on August 1, 2014, which will be reflected on the next report. The other contributions mentioned in the RFAI were inadvertently reported with incorrect election designations. These election designations were corrected on an Amended report. Please see TRANS IDs SA11AI.22843 (Blake); SA12.28601 (M. Castle); SA11AI.28619 (J. Christensen); SA11AI.16384 (Durham); SA11AI.17843 (Hillman); SA11AI.28606 (Pemberton); SA11C.25072 (C00344648); SA11C.27309 (C00388421); SA11C.28608 (C00297861); and SA11c.28611 (C00559237).

Second, the Commission requested clarification regarding contributions designated for Primary Debt Retirement that occurred after the Primary election. As the memo text notes on our Committee's report, these contributions are for Primary Debt Retirement. On the date that each of these contributions was received, the Committee had determined that it had net-debts outstanding based on invoices received for primary expenses that had not been received in time to be included on the July quarterly report. At the time the report was prepared, it was impossible to provide an accurate estimate of these debts, given the short amount of time between the primary and the close-of-books for the report. The amended report includes a Schedule D showing estimated debts to vendors, and all actual expenses will be properly disclosed on the next regular report.

Third, the Commission requested clarification regarding a contribution of \$2,500 from Kelly PAC on May 19, 2014. This contribution was properly filed on the 48-hour report filed on May 21, 2014. (See TRANS ID F6.16343).

14020700001

Fourth, the Commission requested clarification regarding two last minute contributions from John Linge and Thomas Moreland. The contribution of \$1,000 from Thomas Moreland on May 19, 2014 correctly appeared on the Committee's report. (See TRANS ID SA11AI.17877—p 201 of the July Quarterly). The contribution from John Linge was erroneously reported on a 48-hour report due to a staff miscommunication. Although fundraising staff thought the contribution had been received, and communicated this information to the reporting team, in reality, the Committee never received a contribution from John Linge of \$1,000 on May 20, 2014. Due to FECfile software limitations, the Committee cannot reflect this properly on an Amended report. Nonetheless no contribution should have appeared on a 48-hour report nor on Schedule A of the July Quarterly (which it did not).

Fifth, the Commission requested clarification regarding contributions earmarked through the conduits, the Senate Conservatives Fund, ActRight, and Club for Growth. The \$1,000 contribution from CB Skinner on May 27, 2014 was earmarked through the Senate Conservatives Fund but was not reported with memo text indicating the earmark. The appropriate memo text has been added in an Amended report. Otherwise, the total amount earmarked by the conduits by way of memo entries as shown on Line 11(a) of the report and the individual contributions disclosed with live entries on Line 11(a) earmarked through those conduits differ by an amount that represents unitemized contributions. That is, the Committee received a number of contributions from individuals that do not aggregate over \$200 per calendar year; as such, they were not included as itemized contributions. These unitemized contributions are included in the total on Line 11(a)(ii) of the Detailed Summary page. No further itemization is required under FEC regulations. The amended report reflects the correct memo text for the CB Skinner report, and the total amounts have been increased to reflect that contribution.

This should answer the Commission's inquiry. Please feel free to contact us if you have any further questions.

Sincerely,  
Bradley T. Crate  
Treasurer

14020700002
