Dear Ms. Singleton:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule H2 indicates the allocation ratio for events 313-325-323 and 313-325-333 was revised during the reporting period. Please provide the date on which these revisions became effective and the date of the fundraising events. In the event that an excessive non-federal transfer was received, the excessive amount should be transferred back to your non-federal account.

-Schedule H2 shows several activities/events that are listed as 100% federal activity. Please note that 100% federal activity does not qualify as an allocable expense and should be listed on a Schedule B supporting Line 21(b).

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days
