This transfer from TDV 2000's federal account to its non-federal account was made to correct previous allocations. This correction was necessary because of checks that were issued in error by TDV 2000. This error was detailed in amended reports dated 2/9/01 and 4/30/01, previously filed with the FEC. Each of these checks was included in previous non-federal portion allocations. This transaction transfers the non-federal portions of these checks from the federal account back to the non-federal account.
