I am writing in response to the October 7th letter to Prairie Political Action Committee regarding the Committee?s Mid-Year Report. The 2005 contribution to Nelson 2006 was incorrectly designated to the Primary election. It should have been designated to the General election. I am submitting an amended Mid-Year Report.

All expenditures for catering, contractual fundraising services and fundraising services were for fundraising for Prairie Political Action Committee and were not made on behalf of any federal candidate. All expenditures for mailing services, postage and design work were also for fundraising for Prairie PAC and not for public communications or voter drive activity.

Prairie PAC has two firms, Nancy Kohn Consulting, in Chicago and Lori Lafave, in Washington, DC who perform fundraising and administrative functions for Prairie PAC. All administrative expenses are paid by these two firms and their fees are itemized on the FEC report. Thank you for bringing these matters to my attention.
