RE: 30 Day Post-General Report (10/17/2002-11/25/2002), Year End Report (11/26/02-12/31/02)

Dear Mr. Walker;

This correspondence is in response to your "Request For Additional Information" ("RFAI"), resulting from the Republican National Committee's ("RNC") "30 Day Post-General Report (10/17/2002-11/25/2002)" and "Year End Report (11/26/02-12/31/02)".

Regarding Schedule H4, you have indicated that our reports are wrong, however the filing instructions published on the FEC website as of 09/10/2003 indicate that they are filed correctly. At issue is the correct notation of "Administrative" activity. You have raised this same question in reference to our previous filings formatted for version 5 of your electronic filing software. At that time you suggested that in order to satisfy the inquiry, we should file the reports in a format that we can use to print the information properly on paper using software provided by FEC.

We have amended the reports as instructed. We feel there is no more accurate way to comply with your request. We would like to point out that this information was complete the way we originally filed it according to your published documentation, and that this amendment does not affect any financial calculations or totals.

I trust this response answers your inquiry. However, if you need further clarification please do not hesitate to contact me.

Sincerely,

Pat Huyck

Director of Accounting
