Re: ID# C00325357
April Monthly Report (3/1/00-3/31/00)

Dear Ms. Kitchen:

John Gibson's letter of October 26, 2000, indicated that our reply of July 11, 2000 was incomplete because we failed to file the reports electronically.

Please be assured that we would have filed these reports electronically if we were able to do so. Our present software, from one of the vendors listed on the FEC website, currently cannot properly complete some of the schedules that we required for our report. We have and are presently evaluating various software programs to file future reports electronically, including the FEC software and other vendors mentioned at the FEC website.

We are certainly using our best efforts to comply with the filing requirements. If you have any questions concerning this matter, please do not hesitate to contact me.

Very truly yours,

Jack Hanson
