Reference: FEC Letters dated October 17, 2001 re: October Quarterly and 30-Day Post General Reports, 2000

Ladies & Gentlemen:

In response to your above-reference letters, we can attest to the fact that administrative expenses for the Committee have been minimal. An nominal amount for printing of the letterhead upon which this letter is written has been the only expense incurred for the periods covered above. Two expenditures for catering are directly connected to fund raising and not administrative in nature.

All other work to maintain the Committee books of account and recordkeeping is done by volunteers.

We note your mention of properly reporting expenditures to federal candidates/committees separately from non-federal candidate/committee expenditures. We will comply with that request. Thank you for bringing it to our attention.

Sincerely,

Dennis DeCoccini, Treasurer
