Re: October Monthly Report

Dear Ms. Benitz:

Together For Our Majority PAC (TOMPAC) is in receipt of your letter dated November 19, 2003 regarding an offset to an operating expenditure reported from the National Republican Congressional Committee. You question whether the committee assessed the usual and normal charge for the services provided. This letter will confirm that the Committee did charge the usual and normal charge for the air travel provided as determined by the first class air far for the travel at issue, which was the fare paid by the committee.

Please feel free to contact me with any additional questions.

Sincerely,

Paul Scolese
