This amendment is being filed in response to the letter from the FEC dated December 8, 2004. The amendment discloses certain transactions that were inadvertently omitted on the original report. Due to a technical problem, certain disbursements designated as memo entries were not itemized on the original report. These were earmarked contributions that were made payable to individual candidates and forwarded to the campaign committees in the form of the contributor's original check. While these contributions were itemized on Schedule A, they did not appear on Schedule B. This amendment discloses these contributions on Schedule B. Other earmarked disbursements appear on the following month's report in those instances in which the earmarked contribution was received by the Committee with less than 10 days remaining in the reporting period.
