Dear Ms. Larkin:

This responds to your April 18, 2008 letter regarding the Committee's Year End Report for the period December 1 through December 31, 2008.

1. You requested that the Committee amend its report to provide the office sought, state and congressional district, where applicable, for certain contributions reported by the Committee on Schedule B, Line 23. Kindly be advised that the Committee attempted to properly disclose to the Commission all required information at the time the Committee's report was filed. However, when the Committee's report was filed using the FEC File software version 6.1.1.3., the software program failed to upload the information reference in your April 18 letter to the Commission's server. The Committee believes that this failure is not a result of the Committee's error, but is a result of a defect in the FEC File software and cannot be corrected by the Committee's filing of an amended report.

2. On Schedule B, Line 21(b) of the report, the Committee disclosed a disbursement made to Amalgamated Bank in the amount of $15,000 on 12/20/07, and reported the purpose of the disbursement as "Good Faith Deposit." Although the Committee believes the purpose of the disbursement is most accurately described as a "Good Faith Deposit," the Committee will file an amended report describing the purpose of the disbursement as "Loan Origination Fees."

3. On Schedule B, Line 21(b) of the report, the Committee disclosed a disbursement to Freckles Graphics in the amount of $7,593.31 on 12/5/07. This expenditure was for neither a public communication nor voter drive activity as those terms are defined by the Commission's regulations, and did not contain express advocacy. The expenditure was properly reported as an operating expenditure on Schedule B, Line 21(b).

Please let us know if you require any additional information.
