Re: SEIU COPE June Monthly Report (5/01/05-5/31/05)

Dear Ms. Lewis:

I am counsel for the Service Employees International Union Committee on Political Education (SEIU COPE) (Committee ID# C00004036). SEIU COPE filed an amendment today to the June Monthly report to correct a receipt we recently discovered had been mis-reported on the original submission as an unitemized contribution rather than as a transfer from an affiliated PAC. We also filed amendments to the July and August monthly reports to correct the year-to-date amounts in those reports. There were no changes to the current month activity for those reports.

The amended June monthly report fully discloses a $50,000 transfer received from an affiliated PAC on line 12 and Schedule A. The previous report inadvertently treated the transfer as a receipt from a collecting agent and included the amount on line 11(a)(ii). The amended report also reduces the itemized amount by $60 to correctly reflect an individual contributor with a year-to-date aggregate of less than $200 whose contribution was inadvertently attributed to another individual whose contributions were itemized.

Please feel free to contact me if you have any questions on this matter.

Sincerely,

John J. Sullivan
Associate General Counsel
Counsel for Government Affairs
