This amendment is submitted to move an administrative disbursement disclosed on a Schedule B to the correct Line of the Detailed Summary Page. It was only necessary to make changes to Lines 21(b). 21(c), 23, 35 and 37.

Please note that the PAC is aware that we follow an alternate method of itemizing payroll receipts rather than the suggested manner of disclosing a single total for the reporting period along with the amount deducted per pay period. Because the amounts collected per pay period may change often during the time covered by a single report, we find that reporting individual deductions separately more accurately discloses how the receipts are collected.
