Mr. Erik W. Koeppen, Reports Analysis Division, Federal Election Commission

Re: ID # C00271338, 30 Day Post-Special (7/10/01-11/5/01)

Dear Mr. Koeppen:

This letter is in response to your request for additional information regarding the above-referenced report. As we discussed on the phone today, the Event Year-To-Date totals for administrative/voter drive expenses on Schedule H-4 are being aggregated correctly on the FECFile reports. They are, however, reported alphabetically rather than chronologically. If there is more than one transaction for a specific date, the aggregate then seems to calculate by the record number. Therefore, when calculated on an actual year-to-date basis, the aggregates are reported correctly. I will therefore not need to amend this report.

Thank you for your assistance in this matter. Janica Kyriacopoulos
