RE: Texas Freedom Fund (C00340661)

Dear Ms. Benitz:

I am writing on behalf of the Texas Freedom Fund in response to questions raised by you concerning information contained in the Committee's October Quarterly Report covering the period 7/1/04 through 09/30/04.

1. The beginning cash balance of the October Quarterly report has been amended to equal the ending balance of the Amended July Quarterly Report.

2. The totals listed on Lines 21(b), 21(c), and 23, Column B of the detailed Summary Pages have been corrected on the Amended October Quarterly report.

3. The calculations for Line 8 have been corrected on the Amended October Quarterly report.

4. The "Purpose of Disbursement" description for the DeMint for Senate contribution of $5,000 on May 25, 2004 was correctly reported as "Primary 2004 Contribution" but due to an apparent computer-glitch the Disbursement For: "General" box was marked incorrectly. The Amended October Quarterly report has the correct Disbursement For: Primary box marked.

5. The "Purpose of Disbursement" description for the Porter for Congress contribution of $4,500 on June 28, 2004 was correctly reported as "Primary 2004 Contribution" but due to an apparent computer-glitch the Disbursement For: General box was marked incorrectly. The Amended October Quarterly report has the correct Disbursement For: Primary box marked.

6. The "Redbone Sport Fishing Charters" receipt was inadvertently listed on Line 14, Loan Repayments Received, when it should have been listed on Line 15 as an Offset to Operating Expenditures (Refund). The April 21, 2004 disbursement to Redbone was originally itemized on the July Quarterly Report. The Amended October Quarterly report discloses the refund received from Redbone properly on Line 15.

If you have any further questions regarding these matters, please contact me at your convenience.
