RE: July 2002 Monthly Report (06/01/02-06/30/02)

October Monthly Report (09/01/2002-09/30/2002)

12 Day Pre-General Report (10/01/02-10/16/02)

Dear Mr Gibson,

This correspondence is in response to your "Request For Additional Information" ("RFAI"), resulting from the Republican National Committee's ("RNC") Amended July Monthly Report (06/01/02-06/30/02) received 6/30/2003 and Amended October Monthly Report (09/01/2002-09/30/2002) received 6/25/03 and Amended 12 Day Pre-General Report (10/01/02-10/16/02) received 6/26/03.

At issue is the correct notation of Administrative activity reported on Schedule H4.

This issue brings to light an extraordinary situation. You have indicated that our reports are wrong, however the filing instructions published on the FEC website as of 08/28/2003 indicate that they are filed correctly. Additionally, the two different methods of viewing the filed reports available on the FEC website print the reports either correctly or incorrectly depending on which method you choose.

It has been suggested by our reports analyst that in order to satisfy the inquiry, we should file the reports in a format that we can use to print the information properly on paper using software provided by FEC.

We have amended the reports as instructed. We feel there is no more accurate way to comply with your request. We would like to point out that this information was complete the way we originally filed it according to your published documentation, and that this amendment does not affect any financial calculations or totals.

I trust this response answers your inquiry. However, if you need further clarification please do not hesitate to contact me.

Sincerely,

Pat Huyck

Director of Accounting
