With regard to your letter date July 8, 2005, regarding the May Monthly Report (4/1/05-4/30/05), The Committee includes a statement requesting the required donor information in every solicitation it does. It also includes language informing donors that federal law requires the Committee to request such information from anyone who contributes more than $200 annually. If a contribution is received without it, a written request for the information is mailed within 30 days, along with a pre-addressed return envelope. Any contributor information received as a result of the Committee s best efforts is reported to the Commission either in an amended report or on the next report it files. The program requires that something be entered into those fields, so when the information is not available, the Committee enters 'Information Requested' because, pursuant to our best efforts, it has been. Below is the information for four of the contributors whose information was incomplete from the May Monthly Report:
Williams Cantalope - Director of Government Services - Enterprise Recovery Service, Inc.; Paul J. Carey - Business Owner - Campus Partners; Mary Mickus - Sales/Service Manager - Recovery Management Services, Inc.; Scott Nicholson - President (Collections) - Enterprise Recovery Systems.
