Please note that this is a conforming amendment to carry through corrections made to reports filed during the 2004 election cycle. Receipts reported on Schedule A for Line 17 are for the purchase of access to the Committee's voter file. The Committee believes that this price properly reflects the fair market value of the file, which represents the normal charge for such data in our state. All costs associated with the voter file are paid 100% out of the federal account and are therefore not allocable.
