Dear Mr. Averett,

Upon receiving you inquiry about our amended detailed summary pages for our mid-year report covering 4/15/93 through 6/30/94 and our year end report covering 7/1/93 through 12/31/94, I re-calculated lines 19 and 20 for both reports as you requested. I am unable to find a error in these amended pages.

Please let me know if I have missed something. Thank you.

Sincerely,

Susan Armacost
