Reference: July Quarterly Report (4-1-05/6-30-05)

To Whom It May Concern:

We have received the Commission's letter regarding the above referenced report. Please see below for our complete response. Please don't hesitate to contact us should you need more information.

Our committee does strictly adhere to the best efforts standard established by the Committee. We do include the appropriate disclaimers on all solicitations. If a donor does not provide the information, a follow-up request is made within 30 days that does not re-solicit the individual and contains a SASE. We then will include the information gained on amendments filed by our committee. We also make phone calls to donors for whom we need the information to supplement the best efforts practice.

The following employer occupation information was received from our follow up requests after July quarterly report was filed. We will continue to report this vital information as it arrives.

Name	Employer	Occupation
Debra Gottschalk	Lydig Construction	Vice President
Theodore Choi	Self-Employed	Community Activist
Slade Gorton	None	Retired
Conrad Lee	Bellevue City Council	Councilman
Douglas Roulstone	Thomas James Int'l.	Vice President

Finally, via USPS, I have mailed examples of an original solicitation and a follow up request with the appropriate requests for the employer and occupation information.

Please do not hesitate to contact us should you need any further information.

Thank you,
