Dear Ms. Hodgson,

Due to a typographical error, our 6/30/04 check for $4,000 to the Salazar for Senate committee should have been designated to the primary election instead of the general. We have requested a $1,000 refund from the Salazar for Senate committee.

We also are amending our 30 Day Post-General Report to designate our contribution to Betty Castor for US Senate as $5,000 for the Primary Election Debt and $1000 for the General Election Debt.

We apprectiate the opportunity to clarify our previous report.

Sincerely,

Melissa Kardon, Treasurer
