RE: Brady for Congress
C00311043
Pre-election Report
October 1 - 16, 1996

Dear FEC:

Enclosed is an amended report for the above time period. The report reflects several adjustments and corrections:

1. The Republican Party of Texas made an in-kind contribution to our campaign which was reported to us after our report was filed (letter attached).

2. The Majority Leader's Fund made an in-kind contribution in the form of travel expenses on October 16, which was only recently reported to us.

3. Our original report used the cut-off date of October 15 instead of October 16, so this report includes an additional $4,625.00 in receipts for that day. (There were no disbursements on October 16.)

Thank you.

Sincerely,

W.R. Eissler
Treasurer
