Reference : 30 Day Post General Report Notice

Dear FEC Analyst:

This is to clear up any discrepancies referenced in the noticed I received on January 11,2005. The 48 hour notice in question was in fact filed. It was however filed under the Mashantucket Pequot Tribe on October 29, 2004. I aplogize, but my office put Chariman Rich Hayward's information into the individual fields and hence it was filed under Rich Hayward's name instead of the official tribes name on the 30 day Post General Report. Therefore, all 48 hour notices were filed for the 2004 election cycle.

I do aplologize again for our oversight. I will fix this problem so that it does not occur again. Thank you for notifying me of this problem so that I could clarify.

Sincerely,

Brooke N Davis
Treasurer
