RE: Committee for a Democratic Future
FEC ID No. C00370122

Dear Ms. Lewis:

I am writing in response to your letter dated October 14, 2005 regarding Mid-Year Report (1/1/05 - 6/30/05) of the above referenced committee.

There were no expenditures made on behalf of federal candidates, including those made for "catering" and "tickets for fundraiser" that you identified on Schedule B. All expenditures were incurred for the Committee's operations.

The Committee for a Democratic Future (the "Committee") is a small committee that has few administrative expenses. Currently we have 3 part-time paid individuals, as well as volunteers, who perform the Committee's business. The Committee does not rent office space. All expenses incurred to perform the Committee's business have been reported as federal operating expenditures on the Committee's FEC reports.

I hope this information adequately addresses your questions. If you require further information, please do not hesitate to contact the committee.

Sincerely,
