Identification Number: C00345546

Reference: Year End Report (7/1/99-12/31/99)

Dear Mr. Horton:

This letter is in response to the Federal Election Commission's request for more information.

- Schedule A - Due to a data entry error, an inkind contribution from National Committee for an Effective Congress in the amount of $2500 was reported as a memo. This error has been corrected. You will see that our donation total on the detail summary page has increased by $2500 and consequently so has our cash on hand. See Schedule A and amended detail summary page.

- Schedule B – All itemized disbursements have been updated with the proper address. See amended Schedule B.

- Schedule B – We have added memo entries for reimbursements to individuals with aggregates in excess of $200. Please see amended Schedule B.

- Schedule A – Three contributions appeared to exceed limits set forth by the FEC.

1. A contribution from Rangel for Congress was reported incorrectly. We should have reported a $1000 contribution for the primary and a $1000 for the general. Please see amended schedule A and photocopy of a letter from Rangel for Congress dated December 10.

2. A contribution from Charlotte Spitzer did exceed limits for the primary election. Since more than sixty days have passed since the contribution, Citizens to Elect Rick Larsen has refunded the money to Mrs. Spitzer. Please see Schedule A and a photocopy of the refunded contribution check

Martin Durkan
22401 Sweeney Rd
Maple Valley, 98038

Dear Martin:

Thank you for your recent contribution of $250 that we received on December 29, 1999. Under Federal law, individual contributors such as yourself can give a maximum of $1000 to our primary election and $1000 to our general election campaigns.

The FEC requires that a check received during the primary election with the intention of counting toward the general election must be accompanied by written documentation stating that intention. This documentation must be received within 60 days of receipt of the donation. Due to an error in bookkeeping your check was not properly designated so we regretfully return your check.

Please find enclosed a refund check in the amount of $250.

If you have any questions about the reattribution, please do not hesitate to contact me at (425) 259-1866, and again, thank you for your support and your prompt return of this letter.

Sincerely,

Brandon Hall

Craig Hedlund
Arlington City Council
238 N. Olympic
Arlington, WA 98223

Dear Councilman Hedlund:

As a fellow local elected official, and candidate for Washington's 2nd Congressional District I am writing to introduce myself and ask for your endorsement and support.

When Congressman Jack Metcalf decided to retire, I realized there was an opportunity for a local elected official, like myself, to bring an important perspective to this race. Like you, I have had to face local issues with dwindling resources and more budget requests than I could count. I've been forced to make tough budget decisions and prioritize local needs. **As your next Congressman, I'd like to continue the same brand of fierce and independent leadership in Washington D.C. I've forged on the Snohomish County Council.**

As a member of the Snohomish County Council representing north Snohomish County I have dedicated myself to preserving what makes our region an attractive place to live, work and raise a family:

- I have worked with local law enforcement to increase the number of
- 3police officers by 17 percent;
- I have heard from local fire district commissioners and voted to increase fire safety measures;
- I have worked with local labor and business groups to create the conditions for continued job growth;
- I have sought and received support for preserving the open space that makes this district an attractive place for families to live;
- I have fought to ensure that government is managed efficiently, effectively and in a fiscally responsible manner.

This year my family celebrates 98 years in the District. My father was a city councilman in Arlington and I learned from him the values and responsibilities required of a public servant. The work must be less about ideology and more about practical solutions for our community. It has to be less about partisanship and more about shared goals. Local elected officials face that reality every day and I hope you will help me bring that perspective to Washington DC.

I'd like to ask your help in bringing our perspective to Washington D.C. with a contribution to my campaign. A contribution of $35, $50, $100, $250 or $500 today will help
