SECRETARY OF THE SENATE

ID Number: C0330886

Reference: Year-End Report (10/1/08-12/31/08)

To Whom It May Concern:

We have received the Commission's letter regarding the above referenced report. Please see below for our complete response.

We are fully aware of the contribution limits established by the Commission. Our committee has in place systems to ensure that we do not accept excessive contributions or to remedy those within the time frame prescribed. In the cases of the contributions in the letter, redesignations were sent out but were not received back. We have refunded the excessive portion of those contributions and those copies are enclosed. These transactions will be itemized on our next scheduled report.

The amendment referenced above also corrects the Column B Summary and Detailed Summary pages aggregation issues.

We discovered some duplicate records in our database. This problem caused some incorrect election cycle to date aggregations. We have corrected the duplicates we have found have begun a data hygiene project to correct all of them. These corrections will be reflected in the forthcoming amendments as well.

An amendment to our Form 1 updating all of the campaign's depositories has been filed.

We continue to adhere to the best efforts standard established by the Commission. All of our original solicitations ask for the employer and occupation information and inform the donor of the federal requirement that we request this information. We follow up with all donors who do not provide the information and, again, inform them that it is a federal requirement that we make this request. Please find in the enclosed amendments, all newly acquired employer occupation information gained since the original filings.

Thank you for the opportunity to respond. Please contact us should you need any more information.

Sincerely,
Crapo for Senate
