Dear Federal Election Commission:

I enclose an amended report for the period November 28-December 31, 2001.

Page 2 of the Summary and Schedule A report Itemized Receipts exceed the total amount of receipts for the reporting period. The reason for this is that contributions to the Fund are primarily pursuant to a check-off authorization. The sum stated for Itemized Receipts correctly reflects the amount deducted during the period of time covered by the report. However, the contributions were not remitted to the Fund during the period covered by the report.

The Itemized Receipts are accurate to the extent that they reflect the contributions deducted from a contributor's wages, but it is not reflective of the actual amounts received by the Fund. The Fund knows of no way to express this in the report.

I apologize for any inconvenience. However, the enclosed report accurately reflects both the Itemized Receipts and the total receipts received for the period covered by the report.

Sincerely,

Anthony Graffino
Secretary/Treasurer
