Dear Sir;

The attached "Post-Election Detailed Summary Page" for FEC form 3 covering the period 10/6/08-11/24/08 is to correct the fact that I filled out the normal FEC form 3 without realizing that I needed to fill out the post-election detailed summary page. Please include this correction with form 3 which has already been submitted.

In addition I've attached page 2, 3, + 4 for FEC form 3 covering the period 11/25/08-12/31/08 to correct column B totals. Please include this correction with form 3 which has already been submitted.

I apologize for any inconvenience this may have caused.

Sincerely,
Christine Makey
