Dear Mr. Loevy:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B supporting Line 28(a.) of your report discloses refunds made to the Southern Regional Joint Board for contributions that appeared to have been made in error. The receipt of these contributions, however, does not appear to have been reported by your committee.

Please amend your report to clarify the nature of the transaction(s) in question and provide the source of funds and date of the original deposit in your account. In addition, you must amend the report(s) covering the period during which the contributions were received to disclose the receipt on Schedule A supporting the appropriate line of the Detailed Summary Page. 11 CFR §103.3(b)(1)

The Commission notes the refund(s) of the contributions made in error. Although the Commission may take further legal action concerning the possible acceptance of impermissible funds, your prompt corrective action will be taken into consideration.
