Dear Ms. Anderson:

On February 10, 1999, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your February 25, 1999, response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your responses indicate that your committee has been designated to make coordinated expenditures on behalf of the Republican National Committee and several state committees. You must receive prior written authorization to use the coordinated party spending authority (2 U.S.C. §441a(d)) of these committees. Please submit copies of the written agreements received from each of these committees which specifies the amount that your committee has been authorized to spend on coordinated expenditures.

-Schedule F of your reports still appears to disclose the Aggregate General Election Expenditures to several House candidates to be incorrect. Please amend your October Monthly Report to correct the total for Steve Chabot and your 12 Day Pre-General Report to correct the totals for Steve Lonegan and Shawn Terry. Commission calculations disclose these amounts to be $781.89, $3,490.00 and $45,904.94 respectively.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Richard Ng on our toll-free number (800) 424-9530 or our local number (202) 694-1130.

Sincerely,

John D. Gibson
