This is in response to the FEC letter dated 4/23/13. #1 Due to a technical problem, some memo entries for Swing State Victory Fund did not itemize on the Year End 2011 Report. This error was not discovered until the receipt of the FEC letter dated 4/23/13 referencing the total transfers for this joint fundraising committee. The report has been amended to include all memo entries for Swing State Victory Fund. The total of the 2011 and 2012 entries for the Swing State Victory Fund is greater than the amount of the transfers. #2 None of the funds received by a national party committee were earmarked for any exempt activities. In addition, the committee fully complied with all other requirements of the exempt activity rules, including the use of volunteers. #3 All allocation transfers that occurred and were disclosed on Schedule H3 during the reporting period were for allocable expenses that were made prior to the reporting period. No allocation transfers for allocated activity exceeded the non-federal share of the joint disbursements. All of these transfers were made within the 70 day time period: no more than 10 days before or 60 days after the payment to the vendor was made. #4 Please note that none of the funds received from the 'Democratic Congressional Campaign Committee and the DNC Services Corporation/Democratic National Committee' were used for the Federal share of allocable Federal Election activity. The Committee maintains a separate bank account in which party transfers are deposited. This account is never used to pay for allocable federal election activity. In addition, the Committee paid its employees with 100% federal funds and disclosed the expenditures on Line 30b when the individual spent more than 25% of their compensated time in a given month on Federal Election Activity or activities in connection with a Federal Election. Those individuals who spent 25% or less of their compensated time in a given month on FEA or activities in connection with a Federal Election were paid with Federal funds and allocated on Schedule H4. In either case, all amounts spent for employee specific 'fringe benefits,' consisting of health insurance, disability insurance, life insurance, retirement benefits and payroll taxes were paid for and reported on a proportional basis equal to the amount associated with the individual that received the compensation and the funds with which the individual was paid. Any reimbursements/allocation transfers to the Committee's federal account from the Committee's non-federal account for salaries and/or benefits were associated with individuals whose activities do not exceed 25% in a given month. Receipts reported on Schedule A for Line 17, unless otherwise noted, were for the purchase of access to the Committee's voter file. The Committee believed this price properly reflected the fair market value of the file, which represented the normal charge for such data in our state. All costs associated with the voter file were paid 100% out of the federal account and were therefore not allocable. Payments listed on Schedule H4 for office supplies were payments either to vendors or reimbursements to individuals for their own expenses for items used for the committee. These items included but were not limited to...
