30 Day Post-General Report (10/15/98-11/23/98)
Your Letter of February 12, 1999

Dear Ms. Simpson:

This is in response to your letter of February 12, 1999, above referenced. Enclosed please find copies of all of the "48 Hour" notices which the campaign filed during the "48 Hour" reporting period starting 20 days prior to the 1998 General Election (October 15, 1998 to November 1, 1998, inclusive). Also enclosed please find copies of the Schedule A "Itemized Receipts" pages which we filed with the above referenced Post-General report. Each subject contribution has been numbered in order on the copy of the "48-Hour" notices, with a corresponding numbered entry on the Schedule A report. As you can see, for each contribution of $1,000.00 or more received during the subject period (as reported on Schedule A), there is a corresponding record and report in the appropriate "48 Hour" notice.

Please do not hesitate to contact me should you have any further questions.

Thank you.

Sincerely,

Kenneth Curran
Assistant Treasurer
