Re: Mid Year 1997

There are three committees listed on line 11c that gave contribution to the DFL Party that were not meant to be deposited in the federal accounts. Attached is a check for $300.00 which is transferring those contribution from the federal to the state account. The committees are Sandy Pappas for Senate, Tom Huntley Volunteer Committee, David Thune for Mayor.

I hope this will correct any problem relating to these contributions.

Thank you
