Re: Human Rights Campaign PAC Year End Report
Identification Number C00235853

Dear Ms. Adams:

This letter is in response to your letter of May 13, 2005 regarding the Year End Report filed by the Human Rights Campaign PAC.

Human Rights Campaign PAC attempted to ensure that all disbursements for independent expenditures were reported in a timely fashion. At the end of the election cycle, in some cases, the PAC was not aware that certain costs had been incurred but not paid. Such expenditures were reported on the next FEC report due.

Should you need further information, please feel free to contact me at (202) 572-8912.

Sincerely,

Julie Trute
Human Rights Campaign PAC
