Dear Ms. Greene:

On June 11, 1997, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your June 30, 1997 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your response states your contributions to Seastrand '96 and Wilde for Congress on 10/24/96 and Frank Riggs for Congress on 10/25/96 were made to retire the candidates' debts in connection with the 1996 Primary Election. A candidate committee may accept the contribution only if the campaign has net debts outstanding with respect to the designated election on the day it receives the contribution. Net debts outstanding is the total of a candidate committee's unpaid debts, including costs to liquidate the debt plus costs of terminating political activity (if appropriate) minus cash on hand and receivables. It appears Seastrand '96 and Frank Riggs for Congress did not have net debts outstanding. It also appears the Wilde for Congress committee did not have debts during this reporting period. Please clarify the contribution and disclose any redesignation or refund as necessary on the appropriate schedules.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.
