Dear Mr. Koeppen:

This letter is in response to your Requests for Additional Information (RFAI's) referencing the above listed reports. First, please note that the RFAI's were addressed to the former treasurer and sent to an old address, so that I did not receive them in a timely manner. This has made it impossible for me to respond to the request for amendments within the time period your letters request. I will, however, be preparing and sending the amendments shortly.

In response to your inquiry on all three RFAI's regarding administrative expenses, AMERIPAC has reported all of its administrative expenses for the 2000 election cycle. The committee has no paid staff and maintains no separate office. The administrative activities of the committee, such as maintaining the bank account and preparing the FEC reports, were conducted by volunteers in the 2000 cycle. Any administrative expenditures incurred by the committee have been reported (e.g. legal expenses and printing charges).

I hope this information answers your inquiry. If you need further information, I can be reached at (301) 493-6928.

Sincerely,

Janica Kyriacopoulos
