Dear Mr. Bonham:

This letter is to inform you that as of July 9, 2003 the Commission has not received your response to our requests for additional information dated June 19, 2003. These notices request information essential to full public disclosure of your federal election campaign finances. To ensure compliance with the provisions of the Federal Election Campaign Act (the Act), please respond to these requests (copies enclosed).

An adequate response must be received at the Commission by July 30, 2003. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you have any questions regarding this matter, please contact Edward Ryan on our toll-free number, (800)

Reference: Amended August Monthly (7/1/01-7/31/01) Received 3/25/03

Dear Mr. Bonham:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule E discloses an independent expenditure(s) on behalf of a federal candidate(s) (pertinent portion(s) attached). Schedule F of your report discloses a coordinated expenditure(s) on behalf of the same candidate(s). Under 2 U.S.C. §431(17), an "independent expenditure" is defined as:

> ... an expenditure by a person expressly advocating the election or defeat of a clearly identified candidate which is made without cooperation or consultation with any candidate, or any authorized committee or agent of such candidate, and which is not made in concert with, or at the request or suggestion of, any candidate, or any authorized committee or agent of such candidate.

The coordination involved in making coordinated expenditures for a candidate may preclude your committee from making an independent expenditure in support of the same candidate. Under 11 CFR §109.1(c), any expenditure which does not qualify as an independent expenditure is considered an in-kind contribution. Please amend your report to disclose the aforementioned transactions as in-kind contributions (Schedule B supporting Line 23 of the Detailed Summary Page), or provide additional clarifying information concerning the independent expenditure(s) made in

support of Lucas Louise (House/VA/04).

If reclassification of the expenditure(s) as an in-kind contribution(s), results in an excessive contribution(s), the Commission recommends that you notify the recipient(s) and request a refund of the amount in excess. Please inform the Commission immediately in writing and provide a photocopy of your refund request(s) sent to the recipient(s). In addition, any refund should be disclosed on Schedule A supporting Line 16 of your next report.

-Please clarify whether the disbursements on Schedule B for line 23 are earmarked contributions. Pursuant to 11 CFR §110.6(c), the original contributor for earmarked contributions must be disclosed on Schedule B. Please refer to the attached portions of the Federal Election Commission Campaign Guide for further guidance on the reporting of earmarked contributions and amend your report accordingly.

-Schedule F of your report discloses coordinated expenditures made on behalf of candidates and indicates that your committee has been designated to make coordinated expenditures by the Democratic National Committee or State Democratic Party. If your committee has been designated to make such expenditures by a State Democratic Party committee, please provide the name of the designating committee. If your committee has not been designated to make coordinated expenditures, they must be considered as in-kind contributions to the candidate(s) and be subject to the limitations of 2 U.S.C. §441a. Please amend your report with clarifying information. 2 U.S.C. §441a(d)

-Please clarify all expenditures made for Media Services on Schedule(s) B. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedules B, E, or F supporting Lines 23, 24, or 25 and include the amount, name, address and office sought by each candidate. 11 CFR §§104.3(b) and 106.1

A response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

FEC Schedule E (Form 3X) (Revised 6/00)

4. Reporting Conduit Activity

The conduit must comply with special reporting rules, which vary depending on whether the contribution was deposited in the conduit's bank account or was passed on directly to the campaign in the form of the original contributor's check. 110.6(c)(1)(v).

A registered nonconnected committee acting as a conduit must disclose its activity on its next regularly scheduled FEC report. 110.6(c)(1)(ii).

Contributions Deposited in Committee's Account

Schedule A

If an earmarked contribution passes through a nonconnected committee's account, the committee reports the following information on Schedule A:

- The name and mailing address of each person making an earmarked contribution (including earmarked contributions of $200 or less) (110.6(c)(1)(iv)(A));
- The occupation and employer of each individual making an earmarked contribution exceeding $200 (110.6(c)(1)(iv)(A));
- The candidate designated by the contributor as the recipient of the contribution (110.6(c)(1)(iv)(B));
- The *election* for which the contribution was designated, if any (see 110.1(b)(3)(i));
- The amount of the earmarked contribution (110.6(c)(1)(iv)(B)); and
- The date the contribution was received by the conduit (110.6(c)(1)(iv)(C)).

Schedule B

Once the committee has forwarded the contribution to the candidate (after depositing it in its own account), the committee reports on Schedule B:

- The candidate designated by the contributor (110.6(c)(1)(iv)(A));
- The date the contribution was forwarded (110.6(c)(1)(iv)(C));
- The amount forwarded to the candidate (110.6(c)(1)(iv)(B));
- The election designated by the contributor, if any (see 110.1(b)(3)(i));
- The name of the contributor (110.6(c)(1)(iv)(A));

Reconciled by Bessie Gallagher and transmitted by committee check.

These reporting procedures apply when the committee deposits an earmarked contribution before transmitting the funds to the candidate for whom the contributor earmarked them. When the committee transmits the contributor's original check, the procedures are the same, but the dollar amounts are listed as memo entries.

- A notation that the contribution was forwarded in the form of a check drawn on the conduit's account (110.6(c)(1)(iv)(C)); and
- A statement indicating that the conduit's limit was also affected, if appropriate. (110.9(d)(2)).

Undeposited Contributions

If the committee forwards the contribution without depositing it first (i.e., in the form of the contributor's original check), the committee must itemize the same information listed above in *memo entries* on Schedules A and B. The entries should indicate that the contribution was passed on in the form of the contributor's original check and, if appropriate, should indicate that the conduit's limits for that candidate were affected.
